

Be prepared

New peak and school services

Starting Monday 14 February new services are being introduced on the Western Line .

MAXX
REGIONAL TRANSPORT

Additional morning and afternoon services on the Western Line

Double-tracking between Boston Road and Avondale is now complete. From Monday 14 February the following new weekday services commence:

- ◆ Three morning services New Lynn - Britomart
- ◆ Two morning services Britomart - Newmarket - then express to New Lynn
- ◆ Five afternoon services Britomart - New Lynn
- ◆ Three afternoon services New Lynn express to Newmarket - Britomart

And you can get to town earlier on weekdays on the new 5.38am ex-Waitakere service.

More trains, more choice and more room!!

Make sure you pick up a copy of your new timetable – available from onboard train staff or from the Britomart Information Kiosk.

Phone 366 6400 or visit www.maxx.co.nz for more information.

Auckland Regional Transport Authority (ARTA) together with Connex Auckland, is working to improve your train services. Train services are funded by ARTA and operated by Connex Auckland.
